**vo~~x~~**

**You can speak Now. I am listening !**

How are you?

hola !! is there something  
i can do for you ?

is there any interesting news  
happened today ??

Bryan Johnson, the 46-year-old software billionaire, who is on a quest to reverse his biological age, recently revealed in a social media post his new "baby face". Mr Johnson posted a selfie on X (formerly Twitter) on Monday showing the fruits of his labour, which he has code-named "Project Baby Face".
